COMPUTERS AND DATA BANKS IN GOVERNMENT:

A SELECTED BIBLIOGRAPHY

by

Barbara Witt, Librarian
Ontario Ministry of Treasury,
Economics and Intergovernmental Affairs

Computers - Government Use.

BOOKS

Canada. Treasury Board. "Electronic data processing in the federal government." News release, February 1972.

Council of State Governments. Budget preparation applications on ADP. Chicago, May 1968.

Council of State Governments and Committee on Information Systems. Automation in state government, 1966-1967: A second report on status and trends. Public Administration service, Chicago, 1967.

Council of State Governments and National Association of State Budget Officers. Automated data processing in state government: status, problems, and prospects. Public Administration Service, Chicago, 1965.

Hearle, Edward and R. Mason. Data processing system for state and local governments. New York: Prentice-Hall, 1963.

MacBride, R. Automated state: computer systems as a new force in society. Philadelphia: Chilton, 1967.

Ontario. Dept. of Treasury and Economics. Statistical requirements and the need for modern processing techniques within the Department of Treasury and Economics. Toronto, 1965.

Ontario. Treasury Board Secretariat. Service wide study of automatic data processing, June 30, 1965.

Public Administrative Service. Government ADP; the practitioners speak. Public Automated Systems Service, 1968.

Public Automated Systems Service. The computer in the public service: an annotated bibliography 1966-1969. Chicago:. Public Administration Service, 1970.

Schumacher, Bill G. Computer dynamics in public administration. New York: Sparten, 1967.

Thomas, Uwe. Computerised data banks in public administration; trends and policies issues. Paris: OECD, 1971.

United States. Dept. of Economic and Social Affairs. The application of computer technology for development. Washington: Superintendent of Documents, 1971.

Yavitz, Boris and Thomas M. Stanback. Electronic data processing in New York City; Lessons for Metropolitan Economics. New York: Columbia University Press, 1967.

Periodical Articles

Botner, S. B. "Cooperative use of ADP by public entities." Data Management, 9: 24-7, June 1971.
